4<sup>th</sup> September 2020

Dear Parent/ Carer,

On behalf of the staff of Earlsmead Primary School, I am happy to welcome you and your child to the 2020- 2021 school year! I would like to extend a special welcome to all of the new families joining us this year.

I recognise the circumstances that surround this school year is not what we expected nor hoped for, but with your help we will ensure your child's success. I look forward to a productive partnership with you to ensure our children can achieve their highest potential. My vision is to ALWAYS put children first.

It truly does take a village and at Earlsmead we value team work and collaboration. Our teachers understand that part of our children's success relies heavily on the support offered both at school and at home and realise that a strong partnership with you will make a great difference in your child's education. I am certain that our common responsibility for our children's success will provide fruitful outcomes as the year progresses no matter the challenges.

If you have not done so, yet, please note the 2020-21 school year term dates which can be found on our website. Arrangements for this academic year that was emailed in August and recorded, is also available there.

As usual, we will soon have our 'meet the teacher' meetings where you will be given the expectations for the year group and general information about the year ahead. However, these will be conducted via zoom, not face to face. More information will follow.

In order for us to ensure that we can contact you if needed, children will be given the contact information forms to take home on Monday. Kindly check and return **only** if any details have changed.

Thank you for your continued support and as we work together as a school community inspiring our children to strive for and achieve success for all.

Yours' sincerely

Ms N Marshall  
Headteacher
