Earlsmead Primary School is consulting about whether to establish a nursery class.

This would be for children to attend in the year before they start at Reception – i.e. the school year when they turn 4.

The earliest it could open would be September 2021.

The nursery class would

- be on our school site;
- follow the Early Years curriculum, so that it flowed into their experience in Reception;
- be run by Earlsmead staff; and be limited to 13 children in the morning and 13 in the afternoon.

Tell us whether this is a good idea.
If you have children who could attend,
tell us what hours you would want the
nursery to be open for.

**Please complete the
questionnaire
on the school website
www.earlsmeadprimaryschool.co.uk
where there is also
more information.**

Consultation
closes on
13 November 2020
