## Anti-Bullying Week 2021: One Kind Word

This week EPS has been taking part in the national Anti-Bullying Week, making it our mission to consciously spread kind words and deeds as much as humanly possible. Given the challenges and the isolation the pandemic has presented to all of us over the past year, kindness is more important today than it has ever been.

This year, the AntiBullying Alliance has chosen 'One Kind Word' as its central message, underlining how little acts of consideration can break down barriers and brighten the lives of the people around us.

We kicked off our week's activities with Odd Socks Day on Monday 15th November, a great way to celebrate what makes us all unique. From polka dots to leopard spots, staff and pupils donned an impressive array of clashing patterns and colours to express their individuality and to mark the start of this important week.

The week concluded with a spectacular assembly by Pine Class which highlighted the impact of bullying and more importantly, what children should do if they think it is happening to them.

As a school, we take a zero tolerance approach to bullying. Parents and carers are also a vital piece of this puzzle. We encourage our pupils, their parents or carers to contact the school immediately if you have any concerns whatsoever about bullying behaviour.

**LET KINDNESS FUEL KINDNESS!**

Have a great weekend!
