Dear Parents, Carers and Community,

Welcome to our Autumn 1 Newsletter. We have gotten off to a very busy start to the year and there is much to report!

First, let me extend a warm welcome to the families who have joined us over this half term. I know you will find Earlsmead a warm, welcoming and cooperative place so please do reach out to staff and other parents should you have any questions.

I would also like to mention how wonderful it has been to see so many parents and carers at the class assemblies each week. The children love to perform for you and share their learning. My hope is that this will continue throughout the entire year without a COVID 'break', but obviously the safety of the pupils, staff and community must always come first.

As you will see from this newsletter, the children have been celebrating Black History over the last couple of weeks. They have been involved in some really wonderful activities throughout.

It is important to note that Black History warrants more significance than a month each year. Black history is *history*. We are currently reviewing our entire curriculum to ensure that protected characteristics are consciously represented. We will also try to make our curriculum more localised and relevant to our specific community. Should you have any questions, please speak to Mr Safarian as curriculum lead.

Also, massive congratulations must go out to our new Head Pupils, Prefects and School Council – all of whom were elected via a rigorous democratic process. I am sure you will make your constituents very proud.

Finally, please share your feedback in the Autumn Term Parent Survey via this link: <https://coventry.onlinesurveys.ac.uk/parent-survey-autumn-term-2022>. We are trialling a electronic survey in an attempt to cut down on paper.

Please have a wonderful and safe half term, particularly if you are celebrating Diwali. We look forward to welcoming the children back to school on Monday, 31st October.

Community

Earlsmead are a proud part of the South Harrow community and 'community' is one of our core values. As part of a community, we all have a responsibility to be respectful and courteous towards other members of that community.

**Respect our
neighbours**

Last term the School received a complaint from a local neighbour and we have recently had a second complaint. Please make sure you and your children are not scooting into people's private property or sitting on fences. While the foot-path is public domain, people's driveways and fences are private and should be treated respectfully.

Election Week

This week we held elections for School Council and Head Pupils.

Pupils wanting to be on school council wrote their manifestoes and gave campaign speeches.

Year 6 applied for the head pupil roles by writing an application letter against a criteria and giving a speech to the key stage 2 children. The polling station was set up complete with polling booths, ballot papers and a ballot box.

Year 2

We were learning all about Sir Mo Farah, and why he should be an important role model to us. In class, we learnt about his life, and the hardships he went through as a young boy. Year 2 decided Sir Mo Farah was resilient, hardworking, motivated, kind and independent, and a brilliant role model for them. After learning all about his life, Year 2 each raced each other to see how difficult it is to be a runner, and appreciate Sir Mo Farah's achievements even more (although we didn't quite make it to 10,000 meters!).

Stay Safe With Fireworks

Using fireworks at home?

If you decide to use fireworks at home, here's how everyone can stay safe.

Only buy from licensed sellers

Check before you buy. Make sure you buy fireworks from a licensed retailer, both in-store and online. Do not buy fireworks from unknown retailers on social media sites. It's illegal for anyone under 18 to buy or carry fireworks.

Store fireworks safely

Store fireworks in their original packaging. Lock them away from children and animals. Keep fireworks dry and away from sources of heat or ignition.

Check your timings

Did you know that you can't let fireworks off between 11pm and 7am? The only exceptions are Fireworks Night, when the cut-off is midnight, and Diwali, New Year's Eve and Chinese New Year, when it's 1am. Timings may be different in Scotland. Search '**fireworks**' on **gov.scot** for more advice.

Be considerate

People and animals may be affected by fireworks. Let your neighbours know in advance if you're planning on using any fireworks. Be mindful of where you site fireworks to minimise disruption.

Look after pets

Cats and dogs should stay inside. Give small animals who live outside lots of extra bedding and nesting material to burrow in.

Read all the instructions

The box of fireworks will tell you important things like how far away people need to stand back once the firework is lit. If you don't understand the instructions and warnings, don't use the firework.

Dispose of fireworks safely

Ensure that fireworks are out, soak them in water overnight, then put them in a rubbish bag and in the bin.

Which fireworks can I use at home?

Category information can be found on the label.

Category F1, F2 and F3 fireworks are on sale to the general public. Consumer fireworks will fall into either category F2 or F3 depending on how much of a **safety distance** is required. Check you have enough space to safely use a firework before you buy. Always follow the Firework Code www.saferfireworks.com

Go to www.gov.uk/fireworks-the-law for more advice
