See our website calendar for more dates!

Dear Parents, Carers and Community,

Welcome to our final newsletter for this academic year. And what a year it has been!

Some of our achievements this year include:

- Reintroducing parents back on site after COVID. I know how much this has been appreciated by staff, parents and children.
- The PGL trip. What a fantastic opportunity for children. The PGL trips offer children their last ever chance at a residential in primary school and are well worth the cost. Speak to any of the children who attended this year and they will tell you the same!
- The reintroduction of School Council, Prefects, Head Pupils and the development of a brand new Eco-Committee. We want our children to have a say in their education and environment.
- The launch of our whole school ELS Phonics and reading programme. Please do make sure you read with your children every day as this helps their learning in every aspect of the curriculum.
- Some brilliant events for children including World Book Day, Green Days for Mental Health, Kids Fit, Ned Growth Mindset, a Virtual Reality workshop, The Lion King, Summer Fair, an amazing whole school writing week and, my favourite, the Animal Farm!

While it is wonderful to celebrate so many accomplishments over the course of the year, it is also time that we must sadly say goodbye to some we know so well.

Our current Year 6 cohort have been nothing short of a credit to this school. I speak for every member of Earlsmead staff when I say that they will be truly missed. We wish you nothing but the best for your futures, Year 6—please do stay in touch. I do hope Year 6 parents can attend the Leavers' Presentation next Wednesday at 9.30am.

Have a wonderful summer break and we very much look forward to welcoming you back in September.

Ms Graham

Year 6 Production: The Lion King

Thank you to all the adults and children who made this wonderful production of The Lion King possible. It brought a tear to everyone's eye! The children showed their values of hard work, resilience, courage and creativity during this incredible show.

Year 6—Kidzania

On 9th June, Year 6 attended Kidzania at Westfield, Shepherd's Bush. This is a unique, scaled-city designed for children aged 4—14 years old, where they can trial a number of different occupations. Everyone that attended had a wonderful time!

The children all look so tired after their hard day's work!

Summer Holiday Homework: Favourite Books

Choose your favourite book by your favourite author and complete as many of these activities as you can. Please bring them into school the first week back for display. Remember to keep reading every single day in the holidays!

Think about what you know about the characters and the plot. Now design your own front cover—remember to include title, author, illustrator.	Write a book review explaining what you liked about the book, a summary of the story and what sort of people might also like this book.	Draw, paint or collage a portrait of your favourite character from the book. Try to include some clues about things they like in your picture.
Create a diorama using an old shoe box. Recreate a scene from the story and write the title and author on the side of the box.	Dress up as one of the characters and recreate a scene from the story. Take a photo!	Write a sequel to your story. Think about what happened after the story ended and write your own chapter.
Convince Ms Graham that your book is the best book! Create a poster explaining all the wonderful things about this book and why it should be read!	Use the title of the book to create an ACROSTIC poem about the book, e.g. Oi Frog! (Present it on paper going down the page) = O mbre I ntelligent F riendly R ead by many O ver the Top G reat Book!	

100% Attendance from 2022—2023

Congratulations!
