5<sup>th</sup> March 2020

Dear Parents / Carers

**February 2020 OFSTED RESULT**

I am delighted to send every child home today with a copy of the Ofsted report, from the inspection that took place on Tuesday 11<sup>th</sup> and Wednesday 12<sup>th</sup> February 2020.

**The school has been judged by Ofsted as GOOD in all areas.**

Whilst such inspections can undoubtedly be stressful for all those involved, it nonetheless provided us with the opportunity to demonstrate the progress and improvements that have taken place at Earlsmead Primary during the past few years.

We could not have been more proud of the pupils and staff for the self-assured manner they showed during the inspection. The lead inspector asked us to pass on his team's thanks to everyone involved; he also highlighted how polite and courteous our students were and how open and helpful the staff had been.

We would also wish to express our gratitude to governors and parents for their continuous hard work and support.

Whilst we are very proud of our achievements to date, we are a school constantly moving forward and always looking to get better at what we do. The outcome of the inspection is an important milestone in the story of our success but we will continue to focus relentlessly on raising standards and ensuring that children who attend Earlsmead are given the very best start in life.

Yours Sincerely,

Ms N. Marshall
