25th March 2024

Dear Parent/Carer

On Monday 22nd April 2024, AS Creative will be visiting Earlsmead to do a whole school workshop to celebrate Earth Day. The children will be doing a variety of activities throughout the day including a whole-school assembly looking at what climate change is, what it does and where it comes from. Each year group will tackle its own question in a drama-based workshop. Please see details below about what the children will be focusing on in each year group,

Reception: What can we do at home to help save Planet Earth?

Year 1: How can what we wear help save Planet Earth?

Year 2: How can the way we travel help save Planet Earth?

Year 3: How can what we buy help combat climate change?

Year 4: How can what we eat help combat climate change?

Year 5: How can recycling help combat climate change?

Year 6: How can we persuade the world to combat climate change?

The session will be fully supervised.

There is no cost for this workshop.

Yours Sincerely,

Ms B Graham
Headteacher
