

USEFUL RESOURCES YOU CAN USE AT HOME

SAPPLINGS

LITERACY

At home you could

- Read the book accompanied by the reading record that is sent home each week with your child. Sign it when you read and comment if you wish. You will keep the book for one week and return every Monday.
- Log in to Bug Club and read the interactive books with your child. Discuss the books with them, and let them do simple predictions.
- Read your child's library book to them.
- Practise mark making and writing letters, CVC words using a range of materials (shaving foam, paint, flour, chalk, white board with pen).
- Join your local library, it is free.
- Look at objects in your house and ask **are they 'in, on or under'?**
- Look at and point to a calendar/ diary to show how the days of the week go in sequence.
- Talk about where you live.

MATHS

At home you could

- Count items on a washing line, help to take the washing down or peg up, counting as you go along.
- On a calendar or diary, count down how many days to go till the weekend or an exciting day out. Point to a day and ask what the date is (number).
- Practice counting backwards from 30-0.
- Say a number to your child and ask them to say 'one more' and 'one less'.
- Practice simple additions and subtractions – encourage your child to use their fingers if they need to.
- Practice writing numbers up to 30 in neat writing.
- Sort your shopping and count how many items you have e.g. group all the fruits and count how many.
- Count up in 2's, 5's, 3's, group objects.
- Match numbers 0-10, 10-20 to their number names.

Fractions

- Recognise half of a shape/ object
- Find half / quarter of a shape/ object
- Recognise half/ quarter of a quantity

PE

- Athletics
- Badminton
- Preparing for sports day
- Team challenges - developing communication and problem solving skills

FRENCH

We are revising and extending the range of vocabulary and skills covered in Year 5 and preparing for Secondary school languages learning.

COMPUTING

Sensing (Programming)

The children will begin using a simple program to build and test within a new programming environment. They will then transfer their learning onto a micro:bit device.

DT

Digital World: Monitoring Devices

- Healthy balanced meals
 - Flavours that complement one another
- (We'll also be making props for our end of year production!)

Year 6

GEOGRAPHY

Why Population Changes

- Explore Increases in population over time.
- Describe the causes of climate change, explaining its impact on global population.

SCIENCE

Evolution and Inheritance

- Why do living things vary?
- How can we make our food better?
- How does the environment affect plants?
- How do living things survive?
- Why do some living things become extinct?
- What does it take to survive?
- What evidence is there that living things have changed over time?
- How does natural selection work?

PSHE

Growing and Changing

- I look great!
- Media manipulation
- Pressure online
- Helpful or helpful? Managing change

We will also be teaching RSE (relationships and sex education). Letters have been posted via ClassDojo.

RE

What place does religion have in our world today?

- The children will explore the place of religion personally, locally, nationally and globally.

MUSIC

Reflect, Rewind and Replay

- We are consolidating the learning that has occurred during the year. All the learning is focused around revisiting songs and musical activities.
