

HELPFUL RESOURCES YOU CAN USE AT HOME

Literacy

At home you could

- Read a library book together.
- Hear your child read their book every night and sign the reading log.
- Practise your child's spellings every night. Make it fun by getting them to see how fast they can write, write in different colour pens, sing them, use foam letters in the bath!
- Write a shared story together and read it at bedtime.
- Practise handwriting together.
- Research materials and the UK.

DK 10 minutes a day times tables (free app)

Geography / Science

Trips

- Visit London. It is free for children to travel on public transport. Walk around some of the famous sites.
- Visit the Science Museum. Investigate how things are made and why.

At home you could

- Look at maps and atlases. Find different countries and continents, special places. Investigate how different things are shown on maps.
- Look out for different materials in your home – metal, plastic, wood, fabric, rock etc. Why are those objects made of that material?

ENGLISH

We are learning to:

- ◆ Currently we are focusing on Grandad's Island.
- ◆ Describe a place or a person
- ◆ Read a selection of books
- ◆ Use a variety of punctuation in our writing. , ? !
