

# Year 6 SATs Preparation

A bright, colourful one-page guide for parents & carers.

## What Are SATs?

SATs are national tests taken by Year 6 children in May. They assess learning in maths, English reading, and grammar, punctuation and spelling. They help teachers understand children's strengths and areas where support may be needed.

## Top Tips for Supporting Your Child

-  Keep practice short, fun and regular!
-  Celebrate small wins to build confidence.
-  Use real-life maths in daily routines.
